Tech Inspection at Checkerqued Flag

DATE: April 6, 2018

TIME: 8:00 am to 12 Noon

PLACE: 9833 Deering Avenue Unit 1
Chatsworth, CA 91311

COST: \$10 per car

RSVP: Steve Gartner 818 768-4641 or sgartner@aol.com

At this highway tech session the MG is placed on a lift and hoisted up exposing the underbody. Race car driver, MG mechanic and shop owner, Joe Siam, meticulously starts his vehicle inspection from the front to the back. He then lowers the hoist and inspects the engine compartment. All this for \$10 and lots of tire kicking opportunities. Come and join in on the fun!
